Cancer Care of  
Marquette County

CCMC was established in 1958, by a group of local residence, to provide support to local cancer patients undergoing cancer treatment. Financial support comes from the United Way, local organizations, grants, fundraising and private donations. 97% of donations are returned to patient care. The board of directors and executive members are all volunteers. CCMC is a 503(c)(3) tax exempt organization.

**Mission Statement**

Our mission is to support the residents of Marquette County dealing with a cancer diagnosis by providing financial assistance to help pay for expenses related to treatment of their disease.

**Patient Care Coordinators**

David Poirier, R.P.H

President

906)273-0045

Lynn Bartanen

Vice President

906)360-4886 or 906)485-1114

Patients are the primary focus of CCMC. Assistance is not income dependent. The patient care coordinators can provide you with an application form. Since cancer touches all of our lives, we offer assistance to cancer patients in Marquette County and referrals to other resources can be made as needed.
